בית המטבח "בית אהרן"

This is to certificate that the catering and buffet of the Kosher services at Sheraton Hotel in Rio de Janeiro are under my supervision. All the necessary arrangements were made, and all the dishes and equipment are exclusively kosher. All the food is Bishul Israel, Pas Israel and all the meat is Glatt Kosher.

A supervisor (Mashgiach Tzamid) is always present during the preparation of the food and the service.

I'm a Chabad Rabbi born in Brazil, and responsible for considerable part of the Kashrus in Rio de Janeiro, including the production of meat, poultry and Cholov Isroel, and present in Sheraton Hotel since 1998.

Rio de Janeiro, May 10, 2005.
